

**LED TECHNOLOGY**  
TD-10 FS Flexible arm

**LED TECHNOLOGY**  
TD-10 Double heads

**LED TECHNOLOGY**  
TD-6 U-Shape

**LED TECHNOLOGY**  
TD-5 Single head

Model : TD-10-FS  
(suitable for most sewing machines)

LED lighting kit existing of power supply, LED light with flexible arm and fastening clip.

Voltage : 100-240 volts  
Power : 0,5 watt  
Length flexible arm : 17 cm  
LED lifetime : 60.000 hours  
Fastening : magnetic base on power supply  
On/off switch : integrated in the power supply

Model : TD-5 Single head  
Model : TD-10 Double heads  
Model : TD-6 U-shape  
(suitable for most sewing machines)

LED lighting kit existing of power supply, magnetic LED light and fastening clip.

Voltage : 100-240 volts  
Power : TD-05 – 0,5 watt  
                  TD-10 – 1 watt  
                  TD-06- 0,5 Watt  
LED lifetime : 60.000 hours  
Fastening : magnetic  
On/off switch : integrated in the power supply
